About SIMSR: Sasmira's Institute of Management Studies (SIMSR) Mumbai is a renowned business school in Mumbai which belongs to the SASMIRA family (approved by the Ministry of Textiles, Government of India) that boasts a legacy of over 75 years. The MBA/MMS programme at SIMSR is affiliated to the University of Mumbai and approved by AICTE. SIMSR has established its own Research Centre which contributes to the development of management research studies and encourages students, faculty members and professionals to take up industry sponsored research programmes with an objective to facilitate original and high quality research and consultancy.

VISION: Empowering tomorrow's leaders through transformative education, sustainable research and ethical leadership. We nurture a diverse community of lifelong learners, equip them with knowledge, skills, and the right attitude to drive a positive change in society.

MISSION:

- To create and nurture socially responsible leaders
- To foster a culture of academic experience
- To instill a strong foundation of leadership skills, critical thinking, research ability and strategic decision-making
- To ensure experiential learning, industry exposure and mentorship to make the students corporate ready
- To encourage stakeholders' involvement for collaborative development.

About the FDP: This Faculty Development Programme (FDP) is designed to introduce participants to the core concepts and real-world applications of **Environment, Social and Corporate Governance (ESG)**. As responsible governance and sustainability become critical in education, institutions and organizations must align with ethical, social, and ecological values. The programme covers foundational themes such as **ecology, environmental issues, climate change, green business strategies, Sustainable Development Goals (SDGs), and the ESG framework**—all critical pillars for building resilient and ethical organizations.

This FDP is **developed in accordance with the National Education Policy (NEP) 2020**, which strongly advocates environmental consciousness, sustainability, and value-based education. The programme also includes **virtual and practical activities** that enhance learning and promote real-world ESG application.

Schedule of the FDP: (7:00 pm to 8:00 pm)
